Dr. F.C. Burleigh,  
R.R. #2  
Bath, Ontario.

Dear Sir,

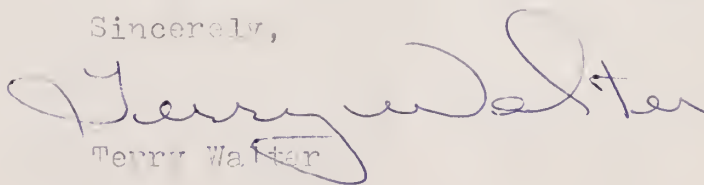

I am writing in the hope that you may be able to assist me in my research of the See family (my wife's family) from Kingston Ontario.

From the book "Lunenburgh or The Old Western District", I have obtained the names of Hermanus Sea, and James and John See. The book "The Loyalist in Ontario" gives the children of Hermanus Sea (Sea) and I have had considerable success in locating his issue in the 1851, 61 and 71 census returns for Ontario and in the Ontario Land Abstracts.

Commencing 1851, there are several branches of the See family in Frontenac and Glengarry Counties, however the lack of marriage records at the United Church Archives in Toronto has prevented us from establishing relationships.

I would be very grateful if you could indicate any source material on the relationships of James, John and Hermanus, and the descendants of James and John.

Sincerely,

  
Terry Walter
